Dedicated Computer Science student pursuing a B.Tech degree with a passion for software development and problem-solving. Proficient in Java, data structures, and algorithms, I enjoy tackling complex challenges and finding efficient solutions. Alongside my programming skills, I have a solid foundation in web development, encompassing HTML, CSS, and JavaScript, and I love building dynamic and interactive user interfaces using React.

EDUCATION

BTECH CSE
JIMS Engineering Management Technical Campus
07/2020 - Present

Senior Secondary
Laxmi public school
04/2019 - 04/2020

Secondary
Laxmi public school
